#### Wealth-Based Sliding Scale

*This season, we ask you to choose your own price for your CSA share. Yes, the numbers below are higher than last year. They reflect the true cost of food - the cost to run our farm, pay our farmers proper wages and be able to support our farm, fields, organization and community in sustainable, healthy ways.*

*The sliding scale is here to encourage us all to consider what we can truly afford to pay for a weekly share of fresh, local, organically grown vegetables and support our small community farm to be healthy, vibrant and strong. Please see the “What Is My Fair Share?” sheet for more information, or give us a call!*

#### 4. SECURE YOUR SHARE by selecting your PAYMENT METHOD (*select one*):

**FULL-PAY COST** (if you selected **A** on Section 3):

I am securing my share with my **full payment**.

*Paying in full now deeply helps our farm and financial health! We can buy seeds and supplies for the upcoming season and secure the money to pay for our stellar crew. Thank you!*

Though I can't pay now in full, I'm securing my 2019 share with a **\$150 deposit**. I will pay the remainder in installments: **\$150 by April 1, \$150 by May 1 and the remainder of the balance at my first pickup**.

*This option is also a great one for our farm operation, helping us with a lot of early season expenses!*

Though I can't pay now in full, I'm securing my 2019 share with a **\$100 deposit** and will pay the **remainder in equal monthly installments due by the 1st of the month from April-Aug**.

*We ask that this option only be used if the other forms of payment are prohibitive. Thank you!*

**REDUCED COST** (if you selected **B** on Section 3):

I am securing my share with my **full payment**.

*Paying in full now deeply helps our farm and financial health! We can buy seeds and supplies for the upcoming season and secure the money to pay for our stellar crew. Thank you!*

I am paying monthly with **SNAP**. I am securing my share with the Auto-SNAP agreement which authorizes Just Roots to receive monthly SNAP payments from June-October.

I am securing my share with a **\$50 deposit** and will pay the **remainder in equal monthly installments due by the 1st of the month April-Aug**.

*\*Payment schedules and pickup schedules are different! CSA pick-ups take place from June 12-October 23.*

#### 5. MEMBER COMMITMENT:

By signing up for a CSA share with Just Roots, I am committing to a season of fresh, local, naturally grown vegetables. I understand that the CSA model is one of risk and reward. In a great season, we share in the bounty. In a harder season (drought/floods), I may get less than I hoped for. I trust that our farmers are doing all they can to provide me with a bountiful share, and by participating in this farm share, I am pledging my support to my farmers and farm. Together we make a strong farm community.
