

Local Food Action Plan Annual Inventory

A project of FC2

A model for LFC in Massachusetts

Project Goals:

- Assist in achieving the goal of “implementation” of the LFAP
- Understand our impact / Maintain LFAP relevance
- Identify gaps leading to analysis of underlying causes
- Leverage FPCs across Massachusetts to track implementation leading to regional collaborations across the state, sharing of best practice and systems changes

Franklin County Food Council - 2019 Inventory Results

44% member participation, 7 member agencies

158 Actions taken toward 74% of the goals outlined in the Plan

Project administered by the steering committee of FC2, data aggregated by Chair, Jessica O'Neill, Executive Director of Just Roots
